Lucan Biddulph Community Memorial Centre Campaign Update!

Our Community Campaign for raising funds towards the Renovation Project has reached 59% of its goal of \$750,000.00. Thank you to everyone who has contributed to date and supported this important community project.

All donations over \$20 will be issued an official tax receipt, which can be used when completing income tax returns. There will be recognition at all giving levels that acknowledge commitments made to the campaign including exterior and interior recognition.

For more information on how to donate, visit our website or call the Township Office.

"We have spent countless hours at the arena/baseball diamond/soccer fields and know how important the facilities are to our community. We are so excited for the renos and love that the future generations will enjoy it as much as we do! We love that we can support causes in our own community, and feel lucky that we are able to help."
Andrew & Lisa

Trails & Connectivity Committee

- Jackie Martens
- Bas Vischraper
- Kenneth Lee
- Olivia Van Berlo
- George Bowa
- Al Cunningham
- Council Reps: Alex Westman

Community Improvement Plan

Attention Local Business Owners.....Coming Soon!

The Lucan Biddulph Community Improvement Plan contains a number of initiatives and programs for future implementation. The two initiatives that will be activated for 2023 are the Beautification Program and Accessibility Program.

Lucan Biddulph business owners are encouraged to:

Read over the CIP document, which outlines the process from application to project completion. Prior to applying, meet with the municipal staff prior to submitting a grant application through the CIP. Lucan Biddulph's Economic Development Officer (Lisa deBoer) is the primary contact and will coordinate the initial consultation meeting between proponents and municipal staff. After discussing your project with municipal staff, complete the grant application form found on our website. You will need to provide details about the project work planned, estimated costs and timelines.

Funding is limited!
