Are you a student looking to gain hands-on experience while making a difference in your community? Join our Parks and Recreation team!

About the Role:

As a Parks and Recreation Assistant, you'll support our team with the maintenance of township parks, trails, sports fields, and facilities. You'll also help set up and tear down events and assist with day-to-day operations. This is a great year-round part-time position geared toward young people looking to build their skills.

What you'll do:

- Help maintain parks, facilities, and public spaces
- Operate equipment like lawn mowers and weed whackers
- Work with the public and assist with programs and events
- Support set-up and cleanup for community events

What we're looking for:

- Strong communication and people skills
- Willingness to work evenings, weekends, and holidays
- Ability to follow instructions and do physical work
- Equipment and arena experience is an asset
- First Aid/CPR is an asset

How to Apply:
