P.13, as amended*. The meeting will take place in the Township council chambers at 270 Main Street, Lucan, ON N0M 2J0 and will be livestreamed via on the Township's Youtube Page

PURPOSE AND EFFECT

A Community Improvement Plan (CIP) is an economic development tool used by municipalities in Ontario to guide strategic investment, development, and revitalization initiatives that support the physical improvement of a municipality or areas within a municipality. This is typically accomplished through the implementation of a combination of financial grants and municipal leadership initiatives. The Lucan Biddulph CIP was adopted in 2021.

In response to the pressing need for more attainable and climate-resilient housing in the community, Lucan Biddulph, in partnership with Middlesex County, undertook a review of the Community Improvement Plan (CIP) as part of the Canada Mortgage and Housing Corporation (CMHC) Housing Accelerator Fund (HAF) CIP review project. This initiative was focused on identifying opportunities to enhance the CIP to better support the development of attainable and sustainable housing options. Rather than establishing a new CIP, this project seeks to strengthen and expand the existing CIP programming already in place within Lucan Biddulph. To this end, the purpose of the amendments are to:

- revise CIP financial incentive programming to better support the creation of affordable, attainable, and sustainable housing in Lucan Biddulph;
- update language used throughout the document as it relates to affordable/attainable housing; and,
- implement minor revisions and technical updates to outdated sections of the CIP.

The Lucan Biddulph CIP applies to all lands in the Township, therefore no keymap has been prepared. A copy of the proposed amendments to the CIP are attached OR can be viewed here:
