# Community Improvement Plan Updates:

In response to the pressing need for more attainable and climate-resilient housing in the community, Lucan Biddulph, in partnership with Middlesex County, undertook a review of the Community Improvement Plan (CIP) as part of the Canada Mortgage and Housing Corporation (CMHC) Housing Accelerator Fund (HAF) CIP review project. This initiative was focused on identifying opportunities to enhance the CIP to better support the development of attainable and sustainable housing options. Rather than establishing a new CIP, this project seeks to strengthen and expand the existing CIP programming already in place within Lucan Biddulph. To this end, the purpose of the amendments are to:

- revise CIP financial incentive programming to better support the creation of affordable, attainable, and sustainable housing in Lucan Biddulph;
  - update language used throughout the document as it relates to affordable/attainable housing; and,
  - implement minor revisions and technical updates to outdated sections of the CIP.
- To learn more detailed information on the amendments visit: <https://www.lucanbiddulph.on.ca/town-hall/housing-accelerator-fund> or contact Lisa deBoer at [lideboer@lucanbiddulph.on.ca](mailto:lideboer@lucanbiddulph.on.ca)

Comments will be received until Oct 31.
