7	INCREASE INDUSTRIAL DEVELOPMENT FOR JOB OPPORTUNITIES.	8/18/2026 4:08 PM

12	The budget needs to add new long-term investments (with stakeholders) to produce more revenue for the entire municipality. Specifically, sports facilities will generate revenue. Also, the budget should add an enhancement or complete design project for a large park for the municipality around Ausable river.	8/14/2026 8:18 AM

20	Winter road plowing	8/12/2026 2:53 PM

29	More green space, walking trails	8/10/2026 10:31 AM
30	Those streets in Lucan that are high traffic areas. Speed deterrents be added to the street. I'm sure there are government incentives	8/9/2026 11:34 AM
31	Lucan has become very unattractive entering or exiting the town. Apartment buildings belong in a city not a small town. The growth in Lucan is horrible and needs to stop. Our property taxes must stop increasing.	8/9/2026 10:18 AM
32	Can't think of anything to be added or enhanced	8/8/2026 12:29 PM

41	Maintain funding to the Donnelly museum	8/7/2026 8:26 AM
42	I would love town Compost pick up, green bins.	8/6/2026 8:02 PM
43	Enclose the pool, more garbage cans, more parks and trails!	8/6/2026 5:52 PM
44	Downtown improvements. Needs to be modernized, clean up Development of trails and paths Township events; town fair, more markets...	8/6/2026 3:28 PM
45	Updates to the washrooms at the back of our community centre. Baseball Diamonds are utilized around the clock and these washrooms are what our home and visiting teams use. They never look clean, mostly due to the peeling floors and outdated stalls and sinks. We have a beautiful recreation complex, one that visitors admire, but these washrooms have lacked in updates. Epoxy flooring would be a nice clean update to this space.	8/6/2026 7:58 AM
46	Added recreational trails & paths.	8/5/2026 9:50 PM
47	Would love to see trees planted along the sidewalks in the newer subdivisions as there are none and walking in these areas is very sunny and hot. 50	n/a	8/5/2026 11:52 AM
51	More heritage stuff, Lucan has a cool history, would be awesome to see the museum elevated	8/5/2026 11:39 AM

Lucan Biddulph 2027 Draft Budget Survey

a bit.

52	Wastewater sewage fixed fees should be used based. Currently the variable fee is about 19% of the total bill. I agree with a fixed fee for the connection, but not more than 15-20% should be fixed. The rest must be variable based on actual water use. Over years we have had \$150+ per bill on a fixed fee for future expansion. That's highly unfair and should be usage based. Reason: there is no incentive whatsoever to "save on water usage" if it doesn't matter in price.	8/5/2026 10:50 AM
53	Enhance electrical infrastructure.	8/5/2026 10:07 AM
54	Walking paths	8/5/2026 9:58 AM
55	Green bins for compost/biodegradable	8/5/2026 9:57 AM
56	Slowing traffic down coming into Lucan, more sidewalks ie from Spencer to Francis from Olde Clover to town on Richmond Street BOTH sides sidewalk from town to the shopping plaza, another crosswalk at Olde Clover, speed bumps on Olde Clover again to slow traffic	8/5/2026 9:49 AM
57	Maintenance on weeds on Main Street boulevard	8/4/2026 9:18 PM
58	Enhance roads	8/4/2026 7:29 PM
59	More things for the youth of our community. There isn't much for the 10-14 age group	8/4/2026 7:07 PM
60	I would like the municipality charge development fees to ALL developers...no favors for your buddies...if this had been done, we would have infrastructure money to spend on needed services	8/4/2026 5:47 PM
61	road and sidewalk repair stop with the beautification - waste of money- new lights on main street were bad use of funds and yes i know a grant paid part of the cost! maybe we need better leadership on the economic /business development portfolio at the twp.	8/4/2026 1:19 PM
62	Greater social, cultural, arts, and economic development in Lucan	8/4/2026 11:11 AM
63	Recreation- Funding for new ice pad	8/3/2026 2:40 PM
64	Less property taxes	8/3/2026 1:41 PM
65	More walkable destination trails. I took my family on a hike from Morrison Conservation area to Exeter, bought lunch, enjoyed the park and splash pad and hiked back to the car. Creating these kinds of recreation opportunities draws business into town!	8/3/2026 10:30 AM
66	Indoor walking track!	8/3/2026 10:21 AM
67	Maybe a green bin program added to reduce garbage	8/3/2026 9:30 AM
68	I think the programs & services for a small town are pretty good now. But as population grows these services & programs will need to expand. I do think we have enough apartments for now	8/3/2026 8:37 AM
69	Development fees to be low to increase the population. Services should be open and more children's services provided.	8/2/2026 11:29 PM
70	Bring back water and waste fees calculated by water used. I'm not hooked up to sewers, and pay substantially more than how it was calculated prior to the change in calculation.	8/2/2026 10:07 PM
71	reduce property tax [REDACTED]	8/2/2026 9:39 PM
72	Need a day care	8/2/2026 9:15 PM
73	I actually think things are going very well and would honestly just like to see property tax reduced. So if there's a surplus I'd sooner see a refund then I'd like to see new park signs or something expensive and useless	8/2/2026 9:13 PM
74	I would like to see more services added for recreational ice. Why don't we have \$10 drop ins when the ice isn't reserved like in Exeter? Why is it so difficult to book ticket ice on weekends and why isn't the ticket booking service automated online?	8/2/2026 9:10 PM
75	An indoor pool would be a fantastic addition to the arena. We would have year-round recreational swimming, swimming lessons, exercise classes, and income. Not to mention more jobs, which are sorely lacking around here. An ice pad only benefits a few. An indoor pool would benefit many.	8/2/2026 7:24 PM

Lucan Biddulph 2027 Draft Budget Survey

76	Reduce management and salaries, add trees to ball diamonds and parks, finish soccer fields adding real washrooms, playgrounds, trees for shade, put walking paths for seniors at ball diamonds, soccer fields, parks, get more parking at arena	8/2/2026 4:22 PM
77	Better ball diamond. For hardball ages	8/2/2026 4:03 PM
78	New arena	8/2/2026 3:34 PM
79	Better speed enforcement in town and near canco	8/2/2026 3:32 PM
80	Over spending on the arena need to make sure developer's pay for the extra pressure put on our infrastructure	8/2/2026 3:07 PM
81	Senior services	8/2/2026 2:02 PM
82	Large item pu like we used to have. Council needs to be downsized!!! Do more with less!! Do mre for all residents, not just 'the clicks'.	8/2/2026 1:38 PM
83	Fire service enhanced. - better equipment, facility, training props etc. Recreation fees maintained	8/2/2026 1:14 PM
84	Reduce taxation, reduce waste, increase efficiency. Reduce consultant use. Focus on core services.	8/2/2026 12:57 PM
85	Icetime for adults or outdoor ice surface. Year round road hockey venue	8/2/2026 12:43 PM
86	Property taxes cannot keep going up every year. The tax base is naturally going up as the town is growing so there is no need to keep raising taxes that mostly go to bloated municipal management employee salaries. Also, building permits and approvals for new single family homes need to be less costly and slow. The community centre needs to be cleaned more often and there needs to be two stalls in the women's locker room instead of a stall and a urinal. The urinal is never used as women don't use urinals. Also there needs to be more public swimming times at the pool.	8/2/2026 12:16 PM
87	Concession stands for baseball and soccer fields. Enhancing our ball diamonds including fences.	8/2/2026 12:03 PM
88	More bike lanes and trails	8/2/2026 11:28 AM
89	We need sidewalks connecting all business and homes. We need sidewalks to the foodland and other businesses in the north end and Tim Hortons and other business in the south end. It's too sketchy getting to these business with how folks drive on the highways	8/2/2026 10:13 AM
90	Reduce recreational things or town events. Free hot dogs and cake are a waste of money at Canada Day. Maintain essential services like fire, police, and sidewalks.	8/2/2026 10:01 AM
91	Reduce the amount spent on the arena	8/2/2026 9:45 AM
92	Don't let [REDACTED] rezone anything, he is known to rezone and then refinance a bigger mortgage on the property and not build or update. Also stop wasting our tax money on pride crosswalks.	8/2/2026 9:40 AM
93	Convert the pool to an indoor pool	8/2/2026 9:00 AM
94	New fire hall with proper safety measures and cancer prevention.	8/2/2026 8:58 AM
95	New fire hall with enhanced safety equipment	8/2/2026 8:57 AM
96	Increase police presence	8/2/2026 8:48 AM
97	Many people will want the snow removal increased. I will not argue about the snow banks on Main St being removed more often. But I feel streets and sidewalks are done at an excellent level compared to other municipalities. Please consider the cost and environmental impact if you increase the salt usage on the sidewalks.	8/2/2026 8:46 AM
98	Increase building fees for new homes and apartments to offset cost for infrastructure repairs and upgrades. Scrap plans to build another ice rink. The village can't afford that. If cost needs to be cut look within the current office staff there is a big payroll there that doesn't all seem necessary.	8/2/2026 8:07 AM
99	Pedestrian crossing lights (like the ones at the arena) installed at the crosswalk on Main Street	8/2/2026 7:59 AM

Lucan Biddulph 2027 Draft Budget Survey

	between Alice and Francis Street. More trails, walking paths and green space around town	
100	I would like to see some public vehicle chargers at the community centre. Snow removal not reduced. The community centre is a big part of the community and is important to enhance as the city continues to grow.	8/2/2026 7:26 AM
101	Second ice pad added, walking track	8/2/2026 7:20 AM
102	The addition of a second ice rink should be a priority for the town	8/2/2026 7:09 AM
103	Seniors programs	8/2/2026 6:52 AM
104	Reduce the amount of money spent on hockey. Add more outdoor spaces such as tennis courts.	8/2/2026 6:51 AM
105	More community events that involve adults not just kids and families	8/2/2026 6:46 AM
106	Now that there is more traffic at George Street a set of traffic lights would be nice to help vehicles turning left to go down to the new Foodland end of town and the crosswalk needs to be safely moved. Vehicles don't stop and with the y so close young kids there too someone going to get hurt.	8/2/2026 6:38 AM
107	Outdoor gym play space at park	8/2/2026 6:28 AM
108	None	8/2/2026 6:19 AM
109	More benches at Spencer park. Natural in parks (ex- unmowed area with wildflowers in Spencer and Market St Park; Elm St Park has this along the creek).	8/2/2026 5:55 AM
110	water availability to rural properties	8/2/2026 5:42 AM
111	Give small businesses a tax reduction.	8/1/2026 11:45 PM
112	Sidewalks south of Tim Horton's but not street lights.	8/1/2026 1:51 PM
113	Spread the funds in other areas other than the arena	7/31/2026 6:00 PM
114	Baseball facilities	7/31/2026 5:14 PM
115	In addition to using DC's, money towards a second pad. I like what was done with the Waste water treatment plant. Look to enhance our park space at Spencer Park. The kids need their own ball hockey space. They are destroying the pickleball courts. It would benefit the youth and seniors.	7/31/2026 10:11 AM
116	I think the private company that does our by-law enforcement is a joke. Everyone breaks the bylaws daily ... might as well put that money elsewhere.	7/31/2026 7:14 AM
117	Maintain Granton's fire truck fleet at 4 trucks. More sidewalks in Granton. More care of city-owned street trees	7/31/2026 5:51 AM
118	Recreational activities for all ages & as one offering in evenings. Not everyone cares about hockey!	7/30/2026 10:07 PM
119	Quit spending so much money on the arena. We don't need another ice pad	7/30/2026 5:47 PM
120	New ball diamond at the arena, increased maintenance of existing playing fields (repairing fences, dragging infields, mound maintenance, infield watering)	7/30/2026 5:44 PM
121	More programs for adults at community centre with better marketing of availability	7/30/2026 4:44 PM
122	CLEAN UP THE RIFFE BETWEEN EMPLOYEES. WE DON'T NEED ALL THE EQUIPMENT OR ALL EMPLOYEES. CUY BACK ON OFFICE STAFF.	7/30/2026 2:44 PM
123	Fix the parks and recreation it needs major overhaul. Don't plant shrubs and then let them die. Post better rules about the parks. I don't like stepping in dog poop in a public park. Finish a project before starting another one. Your current bylaw enforcement is a joke let's have a real bylaw enforcement officer(s)	7/30/2026 2:41 PM
124	a paved through road, the Falon Line, gravel section into Lucan from Granton be paved or a through road added and paved. Granton to Lucan to the main grocery store requires that we go through a residential subdivision	7/30/2026 2:20 PM

Lucan Biddulph 2027 Draft Budget Survey

125	Get rid of the Donnelly museum, it's nothing but a burden to tax payers. [REDACTED] [REDACTED]	7/30/2026 12:58 PM
126	Second ice pad at the arena. Sidewalk on Francis between saintsbury and Spencer.	7/30/2026 12:00 PM
127	Additional ice pad at the arena to allow for enough availability for all user groups	7/30/2026 11:40 AM
128	Night time security. Lots of break ins happening.more trees on boluvards.	7/30/2026 11:11 AM
129	Walking trails, more sidewalks- especially were there is new buildings, pool programs- more times for aquafit and lengths snd open swimming	7/30/2026 10:38 AM
130	I think things need to be looked into and maybe money can be moved around from one thing to another.	7/30/2026 9:57 AM
131	It would be nice to have the some work in the Granton park we pay our taxes just like Lucan residence. Maybe have our fields maintained and we could have teams use our park more for activities.	7/30/2026 9:50 AM
132	Road safety in the winter should be a top priority.	7/30/2026 9:51 AM
