## Mayor's Message

It is hard to believe that it is the month of December. Like many of you, I ask myself, "Where did the year go?" As we reflect back on 2017 and look towards 2018, we look at our challenges and celebrate our successes. I think we were all proud Canadians as we showed our patriotic pride and celebrated Canada 150! Budget discussions have already begun at the Township office, with the staff and the Finance Committee. 2018 promises to be an exciting one, as we become one step closer to a renovation to our Community Centre and Arena. 2018 is also an election year. If you have a love for your community, I encourage you to consider entering the field of municipal politics. It is a great honour to serve your community.

As we enter the month of December our steps become lighter and our hearts open a little more. There is plenty of opportunity for you to help out those in special need this holiday season. Many groups are collecting food and/or toys. Please take note of our local "elves" and consider supporting their effort.

I would like to take this opportunity to thank all those who volunteer their time to various groups and organizations in Lucan Biddulph. Without your commitment, we would not have the community so rich in activities and events.

No matter what faith or holiday you recognize, on behalf of Council and Township Staff, I wish you the warmest of Holiday Wishes. Take time to reflect on the blessings we can all count in our lives. We live in a wonderful community and a great country. As we close 2017, we look ahead to 2018 and all that it promises. May it be healthy and prosperous for each and everyone of you.

Merry Christmas and all the best for the New Year ahead!

Cathy Burghardt-Jesson - Mayor Lucan Biddulph
