## Helping Hands Program

We are reaching out to our community of Lucan Biddulph to share with you an initiative recently launched between the Lucan Lion's Club and the Township of Lucan Biddulph. Both the Lion's Club and the Township have established the funds for this initiative.

It is no secret that the pandemic situation we find ourselves living in has had significant effects beyond the disease itself. Our economy has taken a tremendous hit and there have been many casualties as a result. Families and individuals have been affected through reduced work hours, layoffs and in some cases a total loss of employment. There have been many programs introduced by higher levels of government in an effort to help families and individuals during this time. In an effort to support these programs, we have launched a fund to help families and individuals that are struggling during this time. This fund is not meant to solve situations but more or less ease the struggle that some may be experiencing. We hope that this fund will help those individuals/families get them through for a short period of time.

If you are aware of people in Lucan Biddulph who could use this assistance or you yourself need some assistance, we encourage you to reach out to Rev. Matt Martin. Rev. Martin has graciously agreed to be the conduit between those in need and the Lions Club who will be stewards of this fund. We understand that there is anonymity, privacy and dignity concerns with the implementation of such a program and this is why we have set up the program this way to ensure privacy is respected.

The primary area of assistance we would like to focus on is food and will work with Lucan Foodland to organize food cards. These food cards will be provided to the families and individuals through Rev. Matt Martin. If there are other needs beyond food, that can be discussed with Rev. Martin. We live in an incredible community and this is just one small way we can help and assist each other.

Please contact Matt Martin @519-694-6564, his email address is [revmattmartin@gmail.com](mailto:revmattmartin@gmail.com) if you or someone you know would benefit from this program.
