Mayor's Message

September brings about autumn with a return to the routines of our everyday lives! If you have not already received your copy of our Fall/Winter Community Guide, keep an eye out and make sure you take a look at programs and services not only offered by our Parks & Rec Department, but through other community organizations as well. There is plenty of opportunity to get out in our community to volunteer, enroll in a program to get out and Discover Lucan Biddulph!

On behalf of our Council, staff and organizing committees, I would like to take this opportunity to thank you, our residents for your involvement in our Canada 150 celebrations and in Baconfest. I was thrilled to see Lucan Biddulph get into the 150 spirit. We have a wonderful country and so much to celebrate. I'm happy to still see so many flags flying!

Baconfest was yet again, another successful event. We welcomed well over 20,000 into Lucan. We understand that with this comes disruption and we thank you all for understanding and accommodating all that comes with this event. As always, we welcome your constructive comments as to how we can continue to evolve the event and make changes so that it continues to be the success it is.

With all of the world events that we are so keenly aware of, whether they be natural disasters, political unrest or just the general challenges we see many municipalities (both near and far) going through, I am reminded of what an incredible community Lucan Biddulph is. As we celebrate our Thanksgiving in October, please take some time to reflect on the great things that we do have going on in Lucan Biddulph and remember that we are so fortunate to have the neighbours we do and live where we live!
