MESSAGE FROM THE MAYOR

On behalf of the Lucan Biddulph Municipal Council, I am pleased to introduce our Fall/Winter publication of the Community Services Guide. We hope that you find this guide a valuable resource for your family. There are many opportunities to participate individually or as a group with family and friends in the many recreation programs offered in Lucan Biddulph. We hope that we can offer something that is of interest for everyone. Our Parks and Recreation Department continues to grow and evolve our programming. If you have an idea for a new program, please let us know.

As the year winds down, we continue to recognize and celebrate Canada’s 150th Anniversary. I hope that the significance of this celebration has not been lost on you. Continue to reflect on our great history; recognize the work our community groups do; and support our local businesses. All of this makes Lucan Biddulph a great place to live. The days will soon be longer. I personally look forward to those crisp fall days! I hope as they approach you will continue to Discover Lucan Biddulph.

Green Waste Bins

The green waste bins will be placed at the Public Works Facility at 34363 Saintsbury Line for “clean” yard waste including grass, leaves, small brush (less than 6” diameter) and garden trimmings. These containers will be available until: October 6 – November 14, 2017

(Granton Park Location: October, 17 – Nov 14, 2017)

**Do Not Drop Off at the Township Office**
Canada 150 Ice logo:

The Parks and Recreation staff were busy in July constructing the new ice and rink logo for this upcoming season. If you stop by the Community Centre you will see the Canada 150 logo at centre ice! It takes one week to create the ice. The arena floor must be 16 degrees before adding the first thin layer of ice. Next you have to paint it white, add another layer of ice, paint the lines, add another layer, paint the design, and then finally freeze and add water until reaching the desired thickness. As a final result the Community Centre has a very festive and eye catching centre ice design- come check it out!

Granton Skate Park:

The Granton Skate Park has been an anticipated project by many. The construction is projected to get started in late fall, weather permitting, or early spring. The new skate park will be constructed by Radius Contracting which has 15+ years of experience. Radius Contracting has also done similar skate parks for various municipalities such as Middlesex Centre, Kitchener, Milton, and Tobermory to name a few. This exciting new attraction will be 2,153 square feet and run a tab of $89,760 but will be offset by the Granton Park Committee’s dedicated work which raised $30,000 for this project. This skate park will include features such as a banked hip, curved quarter pipe, a flat rail, multi-pyramid with an A-frame ledge, A-frame rail, and pyramid jump.

Elm street playground equipment:

The new Elm Street Park play structure created by Play Power Ltd. Canada Inc., was a very popular place to be this past summer. We thank the community for understanding the added noise and inconveniences during the time of the park renovation. The weather will be getting colder soon so if you haven’t been out to see and enjoy the new playground; make sure you do so before the snow falls!

Entrance Sign Design
Canada 150 Competition

This year marked Canada’s 150th Birthday and Lucan Biddulph certainly caught the spirit of celebration and pride throughout the first half of the year. The Mayor surprised many residents and businesses throughout the year with thank you gifts and prizes for decorating their homes and businesses in our community. We congratulate Stacy Wood, Pat Ward, and Lina Phillips for winning the draws for the Mayor’s Decorating Challenge. The Main Streets of Lucan and Granton are decorated in red and white flowers with Canadian Flags for residents and visitors to appreciate and our custom Lucan Biddulph Canada 150 Garden stakes were sold out quickly and can be seen all over the Township.

Canada Day Celebrations were a huge success again this year and the Bryanston-Birr Optimist Club put on a fantastic fireworks show! Thank you to everyone who came out for the fireworks display, and also the July 1st Celebrations at the Community Centre. A huge thank you to the Lucan Optimists and Living Hope Church for all of their hard work and volunteering to ensure everyone had a fun and enjoyable day. If you haven’t seen the life size Canada 150 Tree commissioned by the Township, please ensure to drive up to the Township Office to get a picture of this unique and permanent symbol of Canada’s 150. Thank you for all the support of our community and sponsors of our annual event and remember, celebrating Canada’s 150th continues all year long!

Business & Community Groups Public Bench Sponsorship Program

The CEDC is offering local businesses and community groups the opportunity to sponsor a public bench. These benches will be placed initially in Lucan’s downtown core along Main Street. As the program grows, benches will be dispersed throughout the Township. The business name or the community group’s name and logo will be inscribed on the bench. Each bench sponsorship is $800 and payable to the Township of Lucan Biddulph. Please visit the Township’s website under “News” for more information and applications.

Baconfest 2017

What a great event again this year! It was bigger and better and attendance was close to 25,000 attendees. This event would not have been so successful without the support of our local businesses and residents. The Committee cannot thank you enough for this.

With new events and attractions on Main Street combined with the Hogland events (Arena) organized by Hogtown Cycles we were able to increase attendance again this year. The Lucan Legion had a fantastic day and the KidsZone was enjoyed by so many families. Our sponsors played a key role in allowing us to organize the best Baconfest event each year.

Planning is already starting for JULY 14, 2018! Don’t forget to mark your calendars.

OCTOBER IS SHOP LOCAL MONTH IN LUCAN BIDDULPH

DiscoverLucanBiddulph is organizing a Shop Local Campaign in October in partnership with the Municipalities of North Middlesex and Middlesex Centre. This campaign will promote local retailers in each municipality and participants in the tour can win amazing prizes. Passports will be available mid-September at participating retailers and municipalities. Watch the DiscoverLucanBiddulph facebook page for more information and details on how to join in on the tour and support our local retailers. #SHOPLOCAL

Simplify Your Life

Lucan Woods

A message from the Developer

It all started in 2014 with a small dream, a dream that this community will be positioned in a place it has long deserved. When the old vacant public school became for sale, we saw an opportunity to revitalize this long standing community staple into a continued source of pride & benefit; A state of the art Township and Library. It was also our dream to provide the community with services that are well needed, services like a medical building where people can step in and conveniently have all their healthcare needs taken care of. Now Lucan woods condo project, a project that comes as a completion of this dream and to our commitment to Lucan. Finally a Condo that offers a luxury living space for our residence; a place where they can downsize without leaving the community where they call home.

Lucan now offers serenity, convenience and affordability truly is the perfect place to live, work and have fun.
